

ROSE • WALKER, L.L.P. welcomes

Don Swaim as a Partner

At Rose • Walker, we think so much of attorney Don Swaim, we've hired him twice.

The first time, Don was fresh out of law school and Marty Rose saw in him the potential to be an **excellent trial lawyer.** Don went on to become just that, while Marty moved on and eventually founded Rose • Walker. Now, Marty's hired Don again.

Why twice? Because like us, Don understands that the best way to handle a legal case is to start preparing to try it right away. Even if your case never goes to trial – and most of them don't – that sort of trial-minded perspective often yields **better results** at the settlement table.

It's an approach Don has used in his 25 years as a trial lawyer, one that makes him and us **a great fit.**
